

The Colorado Health Foundation™

# **Understanding Colorado's Local Governments: The Fiscal Outlook for Cities, Towns and Counties During COVID-19, and Its Impact on Communitie**

This [webinar](#) discusses how cities, towns and counties across the state are experiencing the impacts of COVID-19, the many changes to local government budget and fiscal constraints, and how communities are recovering from economic decline. Additionally, access our [2020 Local Ballot Initiative Tracker](#) to help you follow local policy measures that may impact your organization and community.
