The plan will be aligned with a comprehensive district wellness policy and become the blueprint for creating healthy school environments where staff and students thrive and succeed.
Canon City School District Fremont RE-1	Canon City CO	Creating Healthy Schools Fremont Region	\$329,998.00	7/1/2016 6/30/2017	Implement differentiated, youth friendly and equitable programs and best practices aligned with the Whole School, Whole Community, Whole Child model.
Canon City School District Fremont RE-1	Canon City CO	Exploratory Outdoor Learning, Playing, And Growing Space	\$170,000.00	9/30/2016 9/29/2017	Create a space that allows students a place where they can be physically active while also learning about healthy lifestyle choices. The space will encourage exploration, inquiry, and social interactions and be utilized by the broader community around the school.

## Grant Approvals 3rd Quarter

Grantee Organization	City State	Project Title	Grant Amount	Start Date End Date	Project Description
Capacity Builders Inc	Farmington NM	Native Youth Builders Project to Reduce Obesity and Improve Health	\$50,000.00	6/1/2016 5/31/2018	Integrate the SPARK (Sports, Play, and Active Recreation for Kids) program into the afterschool programming at Southern Ute Indian Montessori Academy to contribute to the overall wellbeing of students by reducing obesity and increasing physical activity.
Carbondale Council On Arts And Humanities	Carbondale CO	The Rio Grande ArtWay	\$20,000.00	9/30/2016 9/29/2018	Transform a one mile stretch of the Rio Grande Bike Trail, to increase activity while inspiring identity and pride for all our communities. The ArtWay will be planned, created and implemented by the Carbondale community.
Center Consolidated School District 26jt	Center CO	Center Health & Wellness Programming	\$150,000.00	7/1/2016 6/30/2018	Address the district health goal "To develop and implement programs/systems to better meet the social, emotional and physical needs of our students in order to increase academic success." An advisory committee will implement goals and activities for comprehensive physical activity, supportive nutrition environments, cultures and climates, health education, student health services, and student behavioral health needs.
Chalkbeat Inc	New York NY	Enhancing Healthy Schools Coverage	\$375,000.00	7/1/2016 6/30/2018	Enhance healthy schools coverage with the goal of sharing the stories at the intersection of health and education in order to improve outcomes for all students.
CharterChoice Collaborative	Littleton CO	Providing Access to Healthy School Food, Nourishing the Mind, and Partnering for Innovation	\$86,000.00	7/1/2016 6/30/2017	Provide charter schools and their families with access to a healthy, reimbursable meal program.

## Grant Approvals 3rd Quarter

Grantee Organization	City State	Project Title	Grant Amount	Start Date End Date	Project Description
Children's Hospital Colorado Foundation	Aurora CO	Colorado Alliance for School Health	\$499,930.00	7/1/2016 6/30/2018	Nine health and education organizations will work together to form the Colorado Alliance for School Health (CASH). These include the following: the Children's Hospital Colorado; Colorado Association for Schools-Based Health Care; Colorado Behavioral Healthcare Council; Colorado Children's Immunization Coalition' Colorado Department of Education; Colorado Education Association; Oral Health Colorado; Rocky Mountain Youth Clinics' and, the Consortium. Educators and health providers in CASH will collectively develop true models of healthy schools that also lead to healthier communities and children statewide. Grant would support capacity building to formalize a governance structure and develop a process for districts/schools to identify their health needs.
City of Rifle	Rifle CO	Centennial Park Playground	\$135,000.00	2/15/2016 7/15/2017	Provide opportunities for an under-served population in Rifle. Funding will support a primary play area serving K-5 children.
Colorado Children's Campaign	Denver CO	Healthy Schools, Healthy Kids, Bright Futures	\$225,000.00	7/1/2016 6/30/2018	The Colorado Children's Campaign (CCC) proposes collaborative activities within the Policy Agenda systems building function to implement systems of support and healthy schools infrastructure across comprehensive student health services, access to physical education and activity and school nutrition program. The advocacy efforts of CCC focus on children (birth to 18) across the integrated areas of child health, early childhood and K-12 education.

## Grant Approvals 3rd Quarter

Grantee Organization	City State	Project Title	Grant Amount	Start Date End Date	Project Description
Colorado Children's Immunization Coalition	Aurora CO	Advancing a Statewide School and District Immunization Data System to Promote Healthy Schools	\$74,205.00	7/1/2016 6/30/2018	Align data, tools, resources and programs to ensure all Colorado students, and in turn, all schools are free of vaccine preventable disease, a critical component of creating a healthy learning environment for children in Colorado.
Colorado League of Charter Schools	Denver CO	A Statewide Systems Approach to Building Healthy Charter School Students	\$303,500.00	7/1/2016 6/30/2018	This grant will fund a statewide systems approach to addressing the health and wellness needs of the growing charter school population in Colorado. The project will allow the Colorado League of Charter Schools (League) to add to the current number of statewide partnerships that bolster student wellness efforts across the state through five key initiatives: policy, partnerships, communications, Wellness Pods, and New School supports specific to the needs of Charters, who often cannot access the same services provided to district public schools.
Colorado Education Initiative	Denver CO	Creating a System for Colorado Healthy Schools	\$1,268,249.00	7/1/2016 6/30/2018	Support building a statewide system for healthy schools by building upon existing - and creating new - partnerships with systems-level organizations, ensuring alignment of healthy schools efforts to meet the needs of schools, all to work toward greater equity so all Colorado youth are healthy and can reach their full potential.

## Grant Approvals 3rd Quarter

Grantee Organization	City State	Project Title	Grant Amount	Start Date End Date	Project Description
Colorado Office of Economic Development and International Trade	Denver CO	Healthy Business, Healthy Community	\$202,000.00	7/1/2016 6/30/2018	The Colorado Office of Economic Development and International Trade will foster a culture of health in small businesses and communities across the state by introducing this concept to business mentoring sessions and business growth plans. This grant will also bolster the growth of healthy communities through a statewide competition to recognize a healthy community and business with a Governor's proclamation.
Colorado State University Foundation	Fort Collins CO	Advancing IDEAS for Health	\$827,080.00	7/1/2016 6/30/2018	The Advancing IDEAS for Health collaborative is a network of researchers committed to a systems approach for translating research to sustainable school-based approaches for healthy living. The four system stakeholder generated aims are proposed to provide research-informed systems of support for systems stakeholders and school districts when making decisions about creating healthy schools. Guided by an administrative core, cross-institution leadership team, and national, state systems, and local advisory groups, and adhering to a Healthy Schools Collective Impact approach, the proposed project can significantly improve the health and well-being of Colorado youth through a long-term commitment to translating research into practice.
Colorado Public Interest Research Foundation	Denver CO	General Operating Support	\$80,000.00	6/1/2016 5/31/2017	Mobilize a diverse set of local transportation advocates to meet with CDOT Transportation Commissioners and state elected officials to advocate for more and better transit, biking and walking options.

## Grant Approvals 3rd Quarter

Grantee Organization	City State	Project Title	Grant Amount	Start Date End Date	Project Description
